Sir:

Pursuant to 37 C.F.R. §1.56, the attention of the Patent and Trademark Office is hereby directed to the references cited on the attached Form PTO-1449 which lists references cited in the accompanying International Search Report issued in connection with the International application as well as references discussed in the specification. The relevancy of the cited documents is indicated in the International Search Report and specification at pages 1-3. A copy of each of the references listed on Form PTO-1449 is attached.

The above information is presented so that the Patent and Trademark Office may, in the first instance, determine any materiality thereof to the claimed invention. See 37 C.F.R. 1.104(a) and 1.106(b) concerning the PTO duty to consider and use any such information. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that this reference be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

Respectfully submitted,

Roger W. Parkhurst
